Date Posted: 04 February 2008

Fab Publishing has launched 'Secret Services: Your very own pocket concierge', a guide to services, gifts, shops, and other leisure destinations. Publisher and writer of the guide, Cary Whitley, has done over two years of research for the book which, in relation to beauty and fashion, covers everything from wardrobe management, clothes swapping parties and tailors, to 'boutique-to-your-door' services and top facialists. Priced at £12.99, the book is available to order online from [www.fabpublishing.co.uk](http://www.fabpublishing.co.uk) and selected outlets.
